

SUE BOLTON FOR WILLS

A letter from your Moreland councillor

Dear Moreland resident,

My name is Sue Bolton and I have been a Moreland councillor in the North-East ward for nine years. Now I want to represent you as a federal parliamentarian for the seat of Wills.

As a Moreland councillor I have always fought for the rights of residents and the community against dodgy developers, privatisation and lousy deals from council or state government that privilege the few over the many.

Since being elected to council, I have campaigned with residents for:

- Retaining precious open spaces like those along Merri Creek in Fawkner;
 - Winning a plan to phase out gas and help stop climate change;
 - Stopping the Fawkner Outdoor Pool from being closed;
 - Saving the 1850s Bluestone Cottage from being sold off;
 - Duplication of the Upfield train line so that we can have more trains and less cancellations.
- (We're still campaigning on this one!)

We have shown that we are stronger when we stand together. With your help, we can bring to federal parliament the politics of accountability and engagement that I've stood for locally.

If elected, I will be a socialist voice in federal parliament for:

- affordable housing;
- climate action;
- better public transport;
- real action to stop violence against women and children;
- a treaty with First Nations people, opposition to racism and bigotry, and so much more.

I am supporting the Socialist Alliance Senate team of Felix Dance and Angela Carr. **We need stronger left voices, not just more politicians.**
